CARE AND MAINTENANCE:

The frame and top connection should be checked every six months. Also the feet should be checked periodically and replaced as and when required. Clean periodically with a non-abrasive cleaner and a warm damp cloth.

PACKAGING DETAILS:

All legs are paper wrapped and each chair is covered in polythene wrap.

SPARE PARTS:

Replacement castors and glides can be purchased separately.

END OF LIFE RECYCLING SUGGESTIONS:

All Metalliform products can be disassembled into their component parts (Wood, Metal & Plastic) and responsibly recycled through specialist service providers.
